

# Escape Routes/Grab and Go Items

## Maps

- Print out and insert a local street map of your home
- Print out and insert a local street map of your work
- Print out and insert a local street map of your families schools
- Print out and insert a statewide freeway map of your area.

## Destination Planning

- Fill out the Destination Planning form below with possible emergency destinations in different locations.
- Insert directions to each emergency destination location. (Print out directions from your home to your destination locations using maps available online and insert directions in folder. Consider printing out multiple routes.)

## Keys

- Insert a key to your home and a key to each car - LABEL each key
- Insert keys to your destination locations - LABEL each key (include garage door opener if necessary)

## Cash

- Insert CASH (In the event of an emergency ATM machines most likely will be non-functioning and credit cards and debit cards will not be accepted. Store enough cash for the essentials. i.e. hotel room, gas, food, supplies, etc., Store some cash in small bills \$1, \$5, \$10, & \$20.)
